In order to guarantee the quality of the information available to citizens and health professionals, the marketing status of about 890 packages of medical products that have been in shortage for more than 18 months was updated to "Not marketed".

Marketing authorization holders (MAH) can verify the marketing status of their medicines' in [Infomed](#) or through [CITS Portal](#) for MAH¹.

Nevertheless, MAH are obliged to maintain the regular supply of the market and to communicate (and justify) any interruption of this supply, temporary or permanent, at least 2 months in advance, through [SIATS Portal](#).
